

## FOR HOME...

Pevonia's High-Performance Power Repair home program prolongs the repairing and rejuvenating benefits obtained from High-Performance professional in-spa treatments.

### HYDRATING CLEANSER AND LOTION

Cleanse your skin thoroughly with this hydrating, creamy textured, hydrosoluble cleanser. Complete the cleansing process with a delightfully refreshing alcohol-free lotion.

### AGE-DEFYING MARINE COLLAGEN CONCENTRATE AND CREAM

Apply this bio-microemulsified gel rich in concentrated marine collagen to diminish fine lines and wrinkles; follow with the tri-phase homogenized collagen cream to counteract aging. UV protection.

### FIRMING MARINE ELASTIN CONCENTRATE AND CREAM

Improve your skin's firmness and counteract aging with this elastin-enriched bio-microemulsified gel; follow with the tri-phase homogenized elastin cream for powerful repairing and tightening benefits. UV protection.

### REFINING MARINE DNA CONCENTRATE AND CREAM

Apply this bio-microemulsified gel rich in concentrated marine d.n.a. to tighten your dilated pores and smooth uneven texture; follow with the tri-phase homogenized d.n.a. cream for visible refining and skin renewing benefits. UV protection.

## HYDRATE...

POWER  
REPAIR

# ANTI-AGING THERAPY

## LIGNE POWER REPAIR AGE-DEFY

*Powerful anti-aging solutions for youthful recovery*

## EXTENSIVE YOUTH-PROLONGING SYSTEM

As you mature, the first signs of aging become more evident. Free-radicals and external aggressors cause your skin to lose crucial protein support such as collagen and elastin, vital components in maintaining a youthful appearance.

Provide your skin an effective non-invasive, youth-prolonging system to strengthen, smooth and rejuvenate. Prevent and visibly repair lines and wrinkles, while counteracting premature aging and photo-damage.

## CONCERNS

- Expression Lines
- Lack of Elasticity
- Dilated Pores
- Wrinkles
- Uneven Skin Texture
- Dehydration

## EXPERIENCE

To reclaim and maintain your skin's youthfulness, experience Pevonia's Power Repair High-Performance professional in-spa treatments. Prolong treatment results by integrating an effective home care program in your daily ritual.

## RESULTS

Pevonia's Power Repair Line is specifically formulated with repairing ingredients proven effective to:

- Smooth Fine Lines
- Tighten Pores
- Strengthen Tonicity
- Refine Skin Texture
- Repair Photo-damage
- Rehydrate

## REPAIR...

## IN-SPA TREATMENT

### CORRECTIVE THERAPIES...

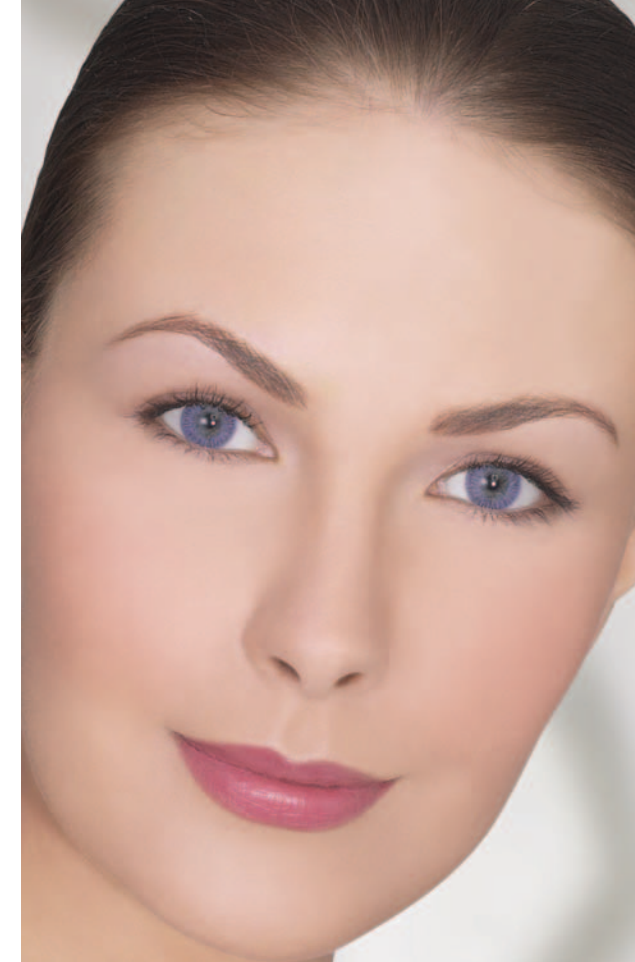

Pevonia's High-Performance treatments offer a variety of anti-aging therapies incorporating the most advanced freeze-dried technology. This innovative process integrally conserves repairing and rejuvenating elements at full strength, allowing your skin to receive maximum ingredient absorbency for outstanding results. This treatment series is also ideal for pre and post-surgical procedures.

### VISIBLE IMPROVEMENT...

Your skincare specialist will perform the select High-Performance therapy to address your specific concerns. Whether you seek to smooth wrinkles, restore loss of elasticity, tighten dilated pores, refine skin texture, or deeply rehydrate, Power Repair High-Performance treatments deliver visible improvement.

### ULTIMATE RELAXATION...

As your skin reaps the benefits of these intensive repairing and rejuvenating therapies, your mind, body and spirit experience delightful relaxation within the tranquil spa environment.

## PREVENT...
